## SPORTS DAY

On 15 January there was a sports day on our school. Some went on a hike around Haloze and other went ice skating in Maribor. I went to ice skating, it was pretty nice. After ice skating we went to Barada's sports centre. They showed us different martial arts. We had a lot of fun.

On a hike they had fun to. They walked around the Haloze and they saw the homestead Kočar in Pobrežje.

# POSTCARDS FROM ROGLA

Dear James,

We were on a nature trip on Rogla. It was fun. We were on a walk and at the GYM. Me and my roommates played poker, and at Lodejives we drove sleigh. We had excellent food. The weather was great, only on Friday it was bad. We skied a lot. I didn't know how to ski before, but now I learned. I am definitely gonna go skiing on Rogla again. I loved it.

On Monday we went on a hike in the evening. We had five torches. We watched a film on Tuesday. On Wednesday we were on a sleigh. On Thursday we were on a sleigh. Love, Tadeja

# TEHNIICAL DAY

On 11 February we had a tehnicl day. At 8.30 Mr. Božičko had a lecture about the meaning and importance of ecology. Then we went to the hall of our municipality Videm and there we had a celebration of our cultural day (8 February). For the rest of the day we made different things out of aluminium.

We made a radio out of aluminium.

# CARNIVAL IN VIDEM

On 16 Februar there was a carnival in Videm. A lot of different masks entered. Our school has entered too. We represented Talum, so we were little »alu šumarčki«, but I was a butterfly. Butterflies are a representative sign of Talum. It was fun. At the end little »alu šumarčki« danced in a circle, the butterflies were in the middle of the circle.

# INTERVIEW

With our ENGLISH TEACHER ALEKSANDRA KUKOVIČ

Why did you become a teacher and why do you like being one?

I became a teacher because I really like working with children. That's still one of the few things that keep me going in this profession.

Where did you study?

In Maribor.

What would you be if you haven't become a teacher?

A hairdresser.

What are your hobbies?

Hobbies? I wouldn't call it like that.... If I have time for myself I like watching a good film, have a cup of coffee with my friends, go for a walk or go dancing.

What is your favourite sport?

Table tennis.

Where do you live?

In Ptuj.

When is your birthday?

In October.

What do you like the most about winter and why?

Sitting beside a window in a warm room with a hot cup of tea in my hand and observing snowflakes falling down to the ground...it calms me.

What are your wishes for the future?

To be healthy and happy with my family.
